These Terms and Conditions consist of one or more of the following items: ITEM 1—Articles 1 through 57, and ITEM 2—a list of clauses from the Federal Acquisition Regulation (FAR), Defense FAR Supplement (DFARS), NASA FAR Supplement (NFS) and FAA Acquisition Management System (AMS). Articles 1 through 57 in ITEM 1, including any referenced certifications, exhibits, attachments or other documents apply to this Order. If this Order is placed under Buyer's Federal, Defense, NASA or FAA contract or subcontract ("Government Contract"), then the clauses contained in ITEM 2, including any referenced certifications, certificates, exhibits, attachments or other documents also apply, as applicable, to this Order. The provisions of this Order shall be construed and interpreted as consistent whenever possible. Any conflicts in this Order shall be resolved in accordance with the following descending order of precedence (i) the Purchase Order; (ii) these Terms and Conditions (which are incorporated by reference in the Purchase Order); and (iii) the Statement of Work. These Terms and Conditions shall be construed and interpreted as consistent whenever possible. In the event of a conflict in the Articles contained in ITEM 1 and applicable clauses contained in ITEM 2, the applicable clauses in ITEM 2 shall control to the extent necessary for Buyer to comply with Buyer's Government Contract.

[2] The Seller shall pay to Buyer any refunds, rebates, credits, or other amounts (including interest, if any) accruing to or received by the Seller or any assignee under this Order, to the extent that those amounts are properly allocable to costs for which the Seller has been reimbursed by Buyer. 4. PAYMENT FOR OVERTIME PREMIUMS: If required by Buyer, Seller agrees to notify Buyer promptly of any proposed overtime that may be required under this Order. In no event shall Seller perform any work under this Order on an overtime basis without the prior written authorization of Buyer.

5. APPLICABLE LAW AND DISPUTES: All disputes under this Order that are not disposed of by mutual agreement of the parties may be decided by recourse to an action at law or in equity. Until final resolution of any dispute hereunder, Seller shall diligently proceed with performance of this Order as directed by Buyer. Any dispute over any question of fact or law arising under this Order shall be governed by the laws of the State of Indiana, except that any clause in ITEM 2 of this Order (i.e., FAR, DFARS, NFS, FAA AMS or other U.S. Government contract clauses and certifications) shall be construed and interpreted according to the federal common law of government contracts as enunciated and applied by federal judicial bodies, boards of contract appeals, and quasi-judicial agencies of the Federal government.

Seller consents to personal jurisdiction in Indiana and any litigation under this Order, if commenced by Seller, must be brought exclusively in a Court of competent jurisdiction in the State of Indiana, except as otherwise provided by any applicable conflicts of laws provisions. The parties hereby mutually agree to waive their respective rights to trial by jury.

Any dispute arising under or related to this Order, which Buyer could include in a claim or other demand under the "Disputes" clause of its Government (or other customer) contract, shall be resolved at Buyer's discretion. In the event Buyer prosecutes a claim under its Government (or other customer) contract that includes Seller's claim, Seller shall fully cooperate with Buyer, pay proportional costs in prosecuting the claim and hereby agrees to be bound by the resulting decision. Buyer's entire liability

to Seller with respect to any matter prosecuted under the "Disputes" clause of its Government (or other customer) contract shall be limited to the recovery obtained against the Government (or other customer) for Seller's claims, less markups specifically allowed Buyer.

Subject to any specific provisions in this Order, Seller shall be liable for any damages incurred by Buyer as a result of Seller's failure to perform its obligations in the manner required by this Order. The rights and remedies herein reserved to Buyer shall be cumulative and additional to any other or further rights and remedies provided in law or equity without consideration of Indiana's conflict of laws rules.

The parties specifically disclaim application to this Order of the United Nations Convention on Contracts for the International Sale of Goods.

6. ARTICLE HEADINGS: The headings and subheadings of Articles contained herein are used for convenience and ease of reference and do not limit the scope or intent of the Article.

7. ASSIGNMENT AND SUBCONTRACTING: Neither this Order itself, nor any interest or obligation hereunder, shall be assigned or transferred by Seller without the prior written consent of Buyer. Seller shall not subcontract the furnishing of any of the complete or substantially complete Items or Services required by this Order, without the prior written approval of Buyer; however, this Article shall not be construed to require the approval of contract of employment between the Seller and personnel assigned for Services hereunder. Seller further agrees to select subcontractors (including vendors or suppliers) on a competitive basis to the maximum practical extent consistent with the objectives and requirements of this Purchase Order. Seller shall remain primarily responsible for the performance of obligations which it subcontracts hereunder and shall reasonably supervise such work. However, Seller may assign rights to be paid amounts due, or to become due, to a financing institution if Buyer is promptly furnished a signed copy of such assignment reasonably in advance of the due date for payment of any such amounts. Amounts assigned to an assignee shall be subject to setoffs or recoupment for any present or future claims of Buyer against Seller. Buyer shall have the right to make settlements and adjustments in price with Seller without notice to the assignee. Seller shall give Buyer immediate written notice of any action or suit filed and prompt notice of any claim made against Seller by any subcontractor or vendor that, in the opinion of Seller, may result in litigation related in any way to this Order, with respect to which Seller may be entitled to reimbursement from Buyer. Buyer may assign this Order to any affiliated company, any successor interest, or Buyer's customer.

8. FEE: (A) Fixed Fee - (1) If applicable, Buyer shall pay Seller for performing this Order the fixed fee specified in the Order. (2) Payment of the fixed fee shall be made as specified in the Order; provided, that after payment of 85 percent of fixed fee, Buyer may withhold further payment of fee until a reserve is set aside in an amount that Buyer considers necessary to protect the Buyer's interest. This reserve shall not exceed 15 percent of the total fixed fee or \$100,000, whichever is less. (B) Incentive Fee - (1) If applicable, Buyer shall pay Seller for performing this Order a fee determined as provided in this Order and in accordance with FAR 52.216-10 with the following modifications:

- (a) Unless otherwise noted, replace "Contractor" with "Seller," replace "Contract" with "Order," and replace "Government," "Contracting Officer" and equivalent phrases with "Buyer" and/or "Buyer Representative."
- (b) Paragraph (c) is modified to read (c) Withholding of payment - Normally, Buyer shall pay the fee to Seller as specified in the Schedule. However, when Buyer considers that performance or cost indicates that Seller will not achieve target, Buyer shall pay on the basis of an appropriate lesser fee. When Seller demonstrates that performance or cost clearly indicates that Seller will earn a fee significantly above the target fee, Buyer may, at the sole discretion of Buyer, pay on the basis of an appropriate higher fee. After payment of 85 percent of the applicable fee, Buyer may withhold further payment of fee until a reserve is set aside in an amount that Buyer considers necessary to protect the Buyer's interest. This reserve shall not exceed 15 percent of the applicable fee or \$100,000, whichever is less.
- (c) Reserved
- (d) Paragraph (e)(1) is modified to read (e) Fee payable - (1) The fee payable under this Order shall be the target fee increased by [insert] cents for every dollar that the total allowable cost is less than the target cost or decreased by [insert] cents for every dollar that the total allowable cost exceeds the target cost. AUDIT, INSPECTION OF RECORDS: Buyer, and Buyer's customer, including the Federal government, if Buyer agrees with the customer's request to audit Seller's records or Buyer is otherwise obligated to grant the customer access to records, shall have the right to audit Seller's records: (a) in the event of cancellation, termination, or default; (b) in connection with any equitable adjustment request; (c) with respect to any Order for which the price is based on time and cost of material or where the terms of this Order or law and regulation otherwise entitle Buyer and/or its customer to audit Seller's records; (d) in connection with internal investigations of alleged violations of law including the U.S. Foreign Corrupt Practices Act; or (e) any type of litigation. Seller shall keep reasonably detailed records of direct labor costs, material costs, and all other costs of the performance of this Order for a period of no less than three (3) years from the date of final payment or termination of any warranty or Item support under this Order, whichever is later.

11. BANKRUPTCY: If Seller enters into proceedings relating to bankruptcy, whether voluntary or involuntary, Seller shall furnish by certified mail written notification of the bankruptcy to Buyer. This notification shall include the date on which the bankruptcy petition was filed and the identity of the court where the bankruptcy petition was filed.

12. BUYER'S RIGHT TO USE INFORMATION DISCLOSED BY SELLER: Unless otherwise expressly set forth in this Order or a separate written Order, Buyer shall have the right to use, for any purpose, information concerning Seller's items, manufacturing methods or processes which Seller has disclosed to Buyer, without restrictions, prior to or during the performance of this Order. In the event of a conflict between the terms of this Article and the terms and conditions of any separately executed and applicable Mutual Non-Disclosure Agreement between Buyer and Seller, the terms and conditions of the Mutual Non-Disclosure Agreement shall control.

13. CALENDAR DAYS: All periods of days referred to in this Order shall be measured in calendar days. Where a date referenced in this Order falls on a weekend or federal holiday, the date shall be deemed to fall on the next business day.

14. CHANGES: Buyer may at any time, by written instructions from Buyer's Procurement Department to Seller, make changes to these Terms and Conditions and/or in the Services to be performed or the Items to be furnished hereunder in any one or more of the following:

- (a) drawings, designs or specifications;
- (b) method of shipment or packing;
- (c) time and/or place of delivery, inspection or acceptance; and
- (d) the quantity of Items ordered or Services to be performed.

During performance of this Order, Seller shall not make any changes in the Services to be performed or in the design of Items or manufacturing of Items to be furnished by Seller under this Order without advance notification to and written approval of the Buyer. Items or Services that have changed without prior notification and consent shall be nonconforming Items or Services under this Order.

If any change under this Article causes an increase or decrease in the price due under the Order or the time required to perform, an equitable adjustment to the Order price and delivery schedule shall be made and the Order modified in writing accordingly, provided however, that any equitable adjustment in price to which Seller may be entitled as a result of an increase in the quantity of Items or Services ordered shall not exceed the unit price established for such Items or Services herein. Any claim hereunder must be asserted by Seller in writing within fifteen (15) days from the date the change is ordered.

Consistent with Article 5, if this is a Government Order issued under Buyer's Government Contract, for any claims seeking an equitable adjustment or other relief in excess of \$100,000 submitted by Seller under this Order, Seller shall submit to Buyer a signed certificate that states as follows, substituting Seller's legal name where indicated:

"I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the Order

adjustment for which [the Seller] believes Buyer is liable; and that I am duly authorized to certify the claim on behalf of [the Seller].”

If requested by Buyer, Seller shall identify that portion of its claim for which it believes the Government is liable and shall execute the certification above, substituting “the Government” for “Buyer” as to such amount.

If a final decision is issued by a Contracting Officer for Buyer’s Government Contract and the decision relates in any way to this Order or to the Items or Services ordered hereunder, said decision, if binding upon the Buyer, shall also be binding upon Buyer and Seller with respect to this Order.

If Buyer appeals or commences an action regarding such decision, any decision upon such appeal or action, if binding upon the Buyer under Buyer’s Government Contract, shall be binding upon the Buyer and Seller as it relates to this Order. Consistent with Article 5, if any appeal is taken or an action commenced by Buyer, Seller shall assist Buyer in its prosecution thereof in every reasonable manner.

If Buyer and Seller are unable to agree upon an equitable adjustment in the event of any change directed by Buyer, the matter will be resolved in accordance with the disputes provisions of Article 5. Nothing contained herein, including failure of the parties to agree upon any equitable adjustment to be made under this Article, shall excuse Seller from proceeding without delay with the Order as changed by Buyer’s written direction.

Whether made pursuant to this Article, or by mutual Order, changes shall not be binding upon Buyer, except when confirmed in writing by a member of Buyer’s Procurement Department. The issuance of information, advice, approvals or instructions by Buyer’s technical personnel or other representative shall be deemed expressions of personal opinion only, and shall not affect Buyer’s and Seller’s rights and obligations hereunder, unless the same is in writing signed by the Buyer Representative and which expressly states that it constitutes an amendment to this Order.

If Seller considers that Buyer’s conduct constitutes a change, Seller shall notify Buyer’s Representative immediately in writing as to the nature of such conduct and its effect upon Seller’s performance. Pending direction from Buyer’s Representative, Seller shall take no action to implement any such change. Notwithstanding the foregoing provisions of this Article, the estimated or target cost of this Order and, if this Order is incrementally funded, the funds allotted for the performance thereof shall not be increased or deemed to be increased except by specific written modification of this Order indicating the new Order estimated cost and the new amount allotted to this Order. Until such modification is made, Seller shall not be obligated to continue performance or incur costs beyond the point established in FAR 52.232-20 or FAR 52.232-22, whichever is applicable.

15. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS:

Seller agrees to comply with all applicable laws, orders, rules, regulations, and ordinances. Seller shall procure all licenses/permits, pay all fees, and other required charges and shall comply with all applicable guidelines and directives of any local, state and/or federal government authority.

- (a) Buyer may proceed as provided for in subparagraph (c) below if, as a result of any violation of applicable laws, orders, rules, regulations, or ordinances by Seller, its officers, employees, agents, suppliers, or subcontractors at any tier:

 - (2) Buyer’s costs are determined to be unallowable;
 - (3) any fines, penalties, withholdings, or interest are assessed on Buyer; or
 - (4) Buyer incurs any other costs or damages.
- (b) Buyer may also proceed as provided for in subparagraph (c) below where submission of cost or pricing data is required or requested at any time prior to or during performance of this Order, if Seller or its lower-tier subcontractors:

 - (2) with notice of applicable cutoff dates and upon Buyer’s request to provide cost or pricing data, submit cost or pricing data, whether certified or not certified at the time of submission, as a prospective subcontractor, and any such data are defective as of the applicable cutoff date on Buyer’s Certificate of Current Cost or Pricing Data;
 - (3) claim an exception to a requirement to submit cost or pricing data and such exception is invalid;
 - (4) furnish data of any description that is inaccurate; or,
 - (5) if the U.S. Government alleges any of the foregoing, and, as a result:
 - (i) Buyer’s contract price or fee is reduced;
 - (ii) Buyer’s costs are determined to be unallowable;
 - (iii) any fines, penalties, withholdings, or interest are assessed on Buyer; or
 - (iv) Buyer incurs any other costs or damage.
- (c) Upon the occurrence of any of the circumstances in subparagraphs (a) and (b) above, other than withholdings

identified in paragraphs (b)(5)(ii) and (iii), Buyer may make a reduction of corresponding amounts (in whole or in part) in the price of this Order or any other contract with Seller, and/or may demand payment (in whole or in part) of the corresponding amounts. Seller shall promptly pay amounts so demanded. In the case of withholding(s), Buyer may withhold the same amount from Seller under this Order.

16. COMPLIANCE WITH THE U.S. FOREIGN CORRUPT PRACTICES ACT:

The Seller warrants and represents that it is familiar with and will strictly comply with the requirements of the U.S. Foreign Corrupt Practices Act of 1977, as amended. The Seller will not offer, pay or promise, give, or authorize payment of any money or anything of value to any government or public official (including political parties, officials or candidates for political office) for the purpose of influencing any act or decision of such official in his official capacity, including failure to perform his official function. Seller agrees that no expenditures for other than lawful purposes will be made with respect to the performance of this Order.

17. GRATUITIES/KICKBACKS: No gratuities (in the form of entertainment, gifts, travel, or anything of value) or kickbacks shall be offered or given by Seller or by any agent or representative of Seller to any officer or employee of Buyer’s customer or Buyer. Buyer may, by written notice to Seller, immediately terminate the right of Seller to proceed under this Order if it is found that gratuities (in the form of entertainment, gifts, travel or anything of value) or kickbacks were offered or given by Seller, or by any agent or representative of Seller, to any officer or employee of Buyer’s customer or Buyer.

18. CONFIDENTIAL RELATIONSHIP: Seller shall treat as proprietary and confidential all specifications, drawings, blueprints, nomenclature, samples, models and other information supplied by Buyer. Unless the written consent of Buyer is first obtained, Seller shall not in any manner advertise, publish, or release for publication any statement mentioning Buyer or the fact that Seller has furnished or contracted to furnish to Buyer items and/or services required by this Order, or quote the opinion of any employees of Buyer. Seller shall not disclose any information relating to this Order to any person not authorized by Buyer to receive it. Seller shall use the information supplied by Buyer only to accomplish work covered by this Order and for no other purpose. Upon completion, all information is to be returned to Buyer upon Buyer’s written request. In the event of a conflict between the terms of this Article and the terms and conditions of any separately executed and applicable Mutual Non-Disclosure Agreement between Buyer and Seller, the terms and conditions of the Mutual Non-Disclosure Agreement shall control.

19. DEFAULT:

- (a) Buyer may terminate this Order for default in whole or in part by written notice to Seller if:
 - (1) Seller shall become insolvent or make a general assignment for the benefit of creditors; or
 - (2) a petition under any bankruptcy act or similar statute is filed by or against Seller and not vacated within ten (10) days after it is filed; or
 - (3) Seller fails to make delivery of the Items or to perform the Services within the time specified in this Order; Seller fails to perform any of the other obligations of this Order, or fails to make progress, so as to endanger performance of this Order, in accordance with its terms; Seller’s financial condition shall endanger completion of performance, (provided with respect to (4) and (5) Seller shall fail to remedy any such condition within seven (7) days from the date of receipt of a notice from Buyer concerning the existence of the condition); or
 - (6) it is found that gratuities (in the form of entertainment, gifts, travel or anything of value) or kickbacks were offered or given by Seller, or by any agent or representative of Seller, to any officer or employee of Buyer’s customer or Buyer; or
 - (7) control of the Seller changes. A change of control includes: (a) the sale, lease or exchange of a substantial portion of the Seller’s assets used for the production of the Items; (b) the sale or exchange of a controlling interest in the shares of the Seller; or (c) the execution of a voting or other change of control. The Seller will provide the Buyer with written notice of change of control within 10 days after the change of control has become effective. The Buyer will have 60 days from the date the written notice from the Seller is received by Buyer within which to notify the Seller of its decision to terminate this Order and the effective date of the termination, which will be no sooner than 30 days after

the date the written notice of termination is effective according to the terms of notice.

- (b) In the event Buyer terminates this Order for default in whole or in part as provided in paragraph (a) of this Article, Buyer may procure, upon such terms and in such manner as Buyer deems appropriate, Items or Services similar to those canceled, and Seller shall be liable to Buyer for any excess and incidental costs of similarly procured Items or Services. Seller shall continue the performance of this Order to the extent not canceled under the provisions of this Article.
- (c) After receipt of notice of such termination for default, and upon Buyer's direction, Seller shall transfer title and deliver to Buyer satisfactorily completed work and such work in process as directed by Buyer. Payment for completed Items delivered to and accepted by Buyer shall be at the price set out in the Order. Buyer may withhold from Seller moneys otherwise due Seller for completed Items and/or materials in such amounts as Buyer determines necessary to protect Buyer against loss due to outstanding liens or claims against said Items or materials.
- (d) If, after notice of termination for default of this Order, it is determined that Seller was not in default under the provisions of this Article, the rights and obligations of the parties shall be the same as if the notice of termination for default had been issued pursuant to Article 37 hereof, "Termination for Convenience".
- (e) If this Order is issued under Buyer's Government Contract, and Buyer notifies Seller in writing that the termination was directed by the U.S. Government, termination will be in accordance with Section 52.249-6 of the Federal Acquisition Regulation, which is incorporated by reference in ITEM 2 of these Terms and Conditions.

20. DELAYS AND NOTICE OF LABOR DISPUTES:

- (a) Seller shall not be liable for any delays in delivery caused by circumstances beyond its reasonable control including acts of God or of the public enemy, fire, floods, epidemics, quarantine restrictions, strikes or embargoes. When any delays in delivery occur, Seller shall immediately give notice thereof to Buyer.
- (b) Whenever an actual or potential labor dispute is delaying or threatening to delay the performance of this Order, Seller shall immediately give notice thereof to Buyer.
- (c) Notwithstanding the above, if such delays extend for more than sixty (60) days from the delivery or performance date or threatens Buyer's delivery commitments under its Government (or other customer) Contract, Buyer may terminate such part of this Order remaining to be performed without liability to Buyer except for the fair value of work already completed and accepted.

21. DELIVERY: Except for shipments covered by Article 21(e), shipments made pursuant to this Order must be shipped as specified in the Purchase Order. If Seller does not use Buyer's specified carrier(s) and Buyer incurs additional freight cost as a result, such additional freight cost shall be Seller's responsibility. Moreover, unless otherwise specified, Seller hereby agrees to the following:

- (a) Buyer reserves the right to refuse shipments made in advance of the schedule set forth in this Order. Buyer may return early deliveries at Seller's expense. Seller bears the risk of loss of all Items delivered in advance of the delivery date specified in Buyer's delivery schedules.
- (b) Overshipment allowances require prior Buyer authorization, and will be applied to the entire order. Unauthorized overshipments shall be returned to the Seller at Seller's sole expense. Seller has the right to deem overshipments uneconomical to return relieving Buyer of responsibility to return and pay for overshipment.
- (c)
 - (1) Late deliveries may be refused by Buyer.
 - (2) If Buyer agrees to accept deliveries after the contracted delivery date the parties agree that delays which are not excusable or mutually agreed upon shall be subject to liquidated damages of one percent (1%) of the total order value per day, up to a maximum amount of twenty-five percent (25%) of the Purchase Order value, for each day delivery or performance is delayed beyond the date set forth in the Schedule of this Purchase Order, to be paid within 30 days of Buyer's acceptance of such deliveries. Buyer's right hereunder to recover liquidated damages for Seller's delayed performance is not an exclusive remedy for delay and shall be in addition to all other rights and remedies that Buyer has under this Order and at law and equity. The liquidated penalty amount shall be subtracted from the line item value. If the delivery delay was as a result of any action taken on the part of

the Buyer, the Seller shall notify the Buyer in writing at the time the delay occurs for Buyer Order to waive penalty assessment. Failure to notify Buyer will result in penalty. Seller may not refuse shipment of said line item to avoid late delivery penalty.

- (3) If Buyer agrees to accept deliveries after the delivery date has passed, Buyer shall have the right to direct Seller to make shipments by the most expeditious means and the total cost of such expedited shipment and handling shall be borne by Seller.
 - (4) Acceptance of late deliveries shall not be deemed a waiver of Buyer's right to hold Seller liable for any loss or damage resulting therefrom, nor shall it act as a modification of Seller's obligation to make future deliveries in accordance with the delivery schedule set forth in this Order.
 - (5) Seller at the request of the Buyer, shall provide a written explanation for the root cause of the delay, Seller's corrective action plan to address the late deliveries and assurances that Seller will make deliveries in accordance with the Order requirements and schedule.
- (d) The Seller may be required or have the option to provide self-managed and Seller-owned inventory to be used at Buyer locations. The Buyer may provide Seller with periodic inventory demands by location or grant Seller's approved employees weekly on-site access to manage inventory level at Buyer locations to allow Seller the ability to restock inventory levels to the previously-negotiated inventory levels.

22. ITEM CONTENT: Seller agrees to provide to Buyer all Item content information required to satisfy both Buyer's content reporting obligations and Buyer's customers' reporting obligations.

23. GENERAL RELATIONSHIP: Seller's relationship to Buyer in the performance of this Order is that of an Independent Contractor. Neither Seller nor any of the persons utilized by Seller to furnish materials or perform work or Services under this Order are employees of Buyer. Seller shall, at its own expense, comply with all applicable laws and regulations and assume all liabilities and obligations imposed by such laws and regulations with respect to this Order. Seller shall be responsible for and hold harmless Buyer and its customers from and against all losses, costs, claims, causes of action, damages, liabilities, and expenses, including attorneys fees, all expenses of litigation and/or settlement, and court costs, arising from any act or omission of Seller, its officers, employees, agents, suppliers, or subcontractors at any tier, in the performance of any of its obligations under this Order. Buyer shall be solely responsible for all liaison and coordination with the Buyer customer, including the United States Government, as it affects the applicable Government Contract, this Order, and any related contract. Unless otherwise directed in writing by the Buyer Representative, all documentation requiring submittal to, or action by, the Government or the Contracting Officer shall be routed to, or through, the Buyer Representative, or as otherwise permitted by this Order.

24. QUALITY CONTROL/INSPECTION/REJECTION/ACCEPTANCE:

- (a) Seller shall establish and maintain a quality management system acceptable to Buyer for the Items or Services purchased under this Order. Seller shall permit Buyer to review procedures, practices, processes and related documents to determine such acceptability. Seller shall have a continuing obligation to promptly notify Buyer of any violation or deviation from Seller's approved inspection/quality control system and to advise Buyer of the quantity and specific identity of any Items or Services provided to Buyer during the period of any such violation or deviation. Seller will maintain the accepted quality management system throughout the duration of the Order. If Seller is cited for compliance violations, Seller shall within 48 hours so notify the Buyer and within 60 days must rectify the non-compliance issues. If the violation is not corrected and certification has not taken place within this time frame, then the Buyer at its discretion may terminate this Order. Seller will notify Buyer of any significant changes that affect quality within 24 hours of that change. These changes include – but are not limited to – change in key management or personnel, change in source of supply of key materials, change in address or site configuration.
- (b) Buyer and/or its customer, to the extent practicable at all times and places including the period of manufacture or performance, may inspect and test material, work in process, services, and supplies. This Order grants Buyer and its customer the right to so inspect and test, but not the obligation. Seller retains the obligation to ensure proper inspection and testing.

- (c) Buyer shall have the right to reject any Services or Items or lots of Items which it determines are defective in material or workmanship or otherwise not in conformity with the requirements of this Order and to require their correction or replacement. Rejected Services or Items shall be removed or if permitted or required by Buyer, corrected in place by and at the expense of Seller promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Seller fails to promptly replace, correct, or remove such Services or Items or lots of Items which are required to be removed, Buyer may:
- (1) replace or correct such Services or Items and charge to Seller the cost occasioned Buyer thereby;
 - (2) pay for such Services or Items at a reduced price which is equitable under the circumstances; or
 - (3) cancel this Order for default as provided in Article 19 entitled "Default"; or
 - (4) exercise any other applicable rights or remedies.
- (d) If Buyer rejects any Services or Items as non-conforming, Buyer may, at its option, (a) reduce the quantities of Services or Items ordered under this Order by the quantity of non-conforming Services or Items – in this case, however, the original quantities will be maintained for Seller performance and scoring, (b) require Seller to replace the non-conforming Services or Items, and/or (c) exercise any other applicable rights or remedies. If Seller fails to inform Buyer in writing of the manner in which Seller desires that Buyer dispose of non-conforming Services or Items within forty-eight (48) hours of notice of Buyer's rejection of non-conforming Services or Items (or such shorter period as is reasonable under the circumstances), Buyer will be entitled to dispose of the non-conforming Services or Items without liability to Seller, provided, however, that in any event Buyer may elect to arrange for the shipment of any non-conforming Services or Items back to Seller at Seller's expense. Seller will bear all risk of loss with respect to all non-conforming Services or Items and will promptly pay or reimburse all costs incurred by Buyer to return, store or dispose any non-conforming Services or Items. Buyer's payment for any non-conforming Items or Services will not constitute acceptance by Buyer, limit or impair Buyer's right to exercise any rights or remedies, or relieve Seller of responsibility for the non-conforming Items or Services. In the event Buyer decides for any reason to accept non-conforming Items or Services, any costs incurred by Buyer testing, evaluating and manufacturing, relating to the design changes to any of the Items or Services, shall be responsibility of the Seller, and Seller may not pass along any costs in relation to the design change(s).
- (e) If any inspection or test is made by Buyer and/or its customer on the premises of Seller or a lower tier subcontractor, Seller without additional charge shall provide all reasonable facilities and assistance for the safety and convenience of Buyer and/or customer inspectors in the performance of their duties. In the case of rejection, Buyer shall not be liable for any reduction in value of samples used in connection with such inspection or test. All inspections and tests by Buyer and/or its customer shall be performed in such a manner as not to unduly delay the work. Buyer reserves the right to charge to Seller any additional cost of inspection and test when Items or Services are not ready at the time such inspection and test was requested by Seller or when reinspection or retest is necessitated by prior rejection. Unless otherwise provided herein, final inspection and acceptance or rejection of Items or Services shall be made as promptly as practicable after delivery to Buyer's facility. Buyer's failure to inspect or accept or reject Items or Services in a timely manner shall neither relieve Seller from full compliance with all requirements of this Order, nor impose responsibility on Buyer therefor.
- (f) Seller shall provide and maintain an inspection system acceptable to Buyer covering the Items or Services hereunder. Records of all test and inspection work by Seller shall be kept complete and available to Buyer and/or its customer for one (1) year following completion of this Order, or for six (6) years following completion of an order pursuant to a U.S. Government contract or subcontract.
- (g) Inspection and test by Buyer or its customer of any Services or Items or lots thereof does not relieve Seller from any responsibility regarding defects or other failures to meet Order requirements which may be discovered prior to acceptance or during the warranty period set forth in Article 42.
- (h) If, prior to or at the time of final acceptance or within the warranty period, it was known or should be known by Buyer that said Items or Services would not or did not conform to the

requirements of this Order, final acceptance shall not be construed as a waiver of any rights Buyer may have with respect to the Items or Services purchased under this Order, notwithstanding the failure of Buyer to timely inform Seller of such nonconformance.

- (i) Final acceptance by Buyer of the Items or Services provided hereunder shall take place only after complete delivery of all Items or Services in accordance with the delivery schedule specified herein or later agreed upon by the parties in writing and after final inspection of those Items or Services by Buyer and Buyer's customer. Final acceptance shall be contingent upon agreement by Buyer and the Buyer's customer that the Items or Services conform to the requirements of this Order. Final acceptance by Buyer shall be conclusive, except for latent defects, negligent or intentional misrepresentations by Seller that a nonconformity or defect would be or had been cured or did not exist, acceptance induced by false or negligent assurances of Seller, or as otherwise provided in this Order or applicable law. Final acceptance by Buyer of the Items or Services delivered hereunder shall not limit or affect the warranty or indemnity granted by Seller hereunder.

25. RISK OF DAMAGE/INDEMNIFICATION/INSURANCE: All personal property belonging to Buyer in Seller's custody or possession, shall be at Seller's risk from loss or damage from all hazards. Seller agrees, to the fullest extent permitted by applicable law, to indemnify and hold harmless Buyer, its officers and employees, from and against any and all claims, liabilities, losses, costs, damages and expenses by reason of property damage or personal injury, including death, of whatsoever nature or kind, including special, incidental or consequential damages, for any reason, arising out of or as a result of Seller activity or omissions under this Order, whether arising out of the actions or inactions of Seller or of its employees, subcontractors, and lower tier subcontractors. Seller and its subcontractors and lower tier subcontractors shall maintain, at their own expense:

- (a) Comprehensive General Liability policies for an amount of at least \$2,000,000 combined single limit for bodily injury and property damage; \$2,000,000 annual aggregate
- (b) Comprehensive Automobile Liability policies shall be for an amount of at least \$2,000,000 combined single limit for bodily injury and property damage; \$2,000,000 annual aggregate
- (c) Worker's Compensation in accordance with such laws as may be applicable to the work to be performed.
- (d) Employer's Liability: \$2,000,000/\$2,000,000

Proof of compliance with applicable legal requirements shall be obtained for all subcontractors working on Buyer's premises, and may be provided by the subcontractor's insurer. Satisfactory evidence by copy of certificate of insurance thereof shall be submitted annually to Buyer upon Buyer's request. Such insurance shall be carried during the term of this Order, including extension, and for at least three (3) years thereafter.

26. INVOICING AND PAYMENT: A separate invoice shall be issued for each shipment and properly identify the ITT Corporation Purchase Order Number and Line number; ITT Corporation Line Description (as referenced on PO) and Unit Price and Total Price. Unless otherwise specified in this Order, an invoice shall not be issued prior to shipment of items and payment shall not be made prior to receipt of items and correct invoice. Discount periods will be computed from the date of receipt of correct invoice to the date ITT Corporation check is issued. Unless otherwise provided, terms of payment shall be specified on the face of the Purchase Order. Each payment made shall be subject to reduction to the extent of amounts which are found by Buyer or Seller not to have been properly payable, and shall also be subject to reduction for overpayments. Seller shall promptly notify Buyer of any such overpayments found by Seller. Buyer, and any affiliate of Buyer, may withhold, deduct and/or setoff all money due, or which may become due, from Buyer or any affiliate of Buyer, arising out of Seller's performance under this Order or any other transaction Buyer and its affiliates may have with Seller.

27. MODIFICATION OF ORDER: This Order contains all the agreements of the parties with respect thereto and no course of dealing or usage of the trade shall be applicable unless expressly incorporated in this Order. The terms and conditions contained in this Order may not be added to, modified, superseded or otherwise altered except by a written instrument signed by the Buyer Representative and delivered by Buyer to Seller. Modifications of this Order shall be handled pursuant to Article 14 "Changes". Each shipment received from Seller shall be deemed to be exclusively upon the terms and conditions contained in this Order notwithstanding any terms and conditions that may be contained in any acknowledgment, invoice, correspondence or other documents of Seller, and notwithstanding Buyer's act of accepting or paying for any shipment or similar act of Buyer.

28. NO WAIVER OF CONDITIONS: Buyer's failure to insist upon strict compliance with any aspect of this Order shall not be deemed a waiver of any of Buyer's rights hereunder, and waiver of a right under this Order shall not constitute a waiver of any other right, waiver or default under this Order.

29. OFFSET/COUNTERTRADE CREDIT: In connection with the sale of Buyer's items to certain foreign government customers, Buyer may incur direct and/or indirect offset/countertrade obligations. Seller hereby exclusively grants to Buyer all offset or countertrade credit that may be obtained from this Order, or from Seller's placement of its purchase orders and subcontracts, for Buyer's use on the offset/countertrade program of Buyer's choice. Buyer retains the right to assign any such offset or countertrade credits to third parties. Seller shall include this clause, for the benefit of Buyer, in all lower-tier purchase orders and subcontracts awarded in the performance of this Order. Seller shall maintain a record of its purchases under this Order or subcontract and Buyer reserves the right to review such record not more often than every six (6) months to determine offset availability. This Article 29 shall survive two (2) years beyond the completion of this Order.

30. PACKING: Unless otherwise specified in this Order, Seller shall be responsible for safe and adequate packing conforming to the requirements of carriers' tariffs or, in the absence of such requirements, conforming to the best commercial practices. All expendable packaging materials must be legally and economically disposable or recyclable. Seller shall separately number all cases, packages, etc., showing the corresponding numbers on the invoices. An itemized packing slip, bearing this Order number must be placed in each container. No extra charge shall be made for packaging or packing materials unless authority therefor is set forth in this Order.

31. PATENT/INTELLECTUAL PROPERTY INDEMNITY BY SELLER: Seller warrants that the Items and Services performed and delivered under this Order will not infringe or otherwise violate the intellectual property rights of any third party in the United States or any foreign country. If the detailed design of any Item purchased hereunder is not supplied by Buyer, Seller shall defend and hold harmless Buyer, its customers and those for whom Buyer may act as agent, from all loss or damage of any kind (including all costs and expenses including attorneys' fees) arising out of any and all allegations, actions, proceedings or awards for infringement, misappropriation or wrongful use of any Items or Services (including but not limited to software), the results of such Services, or any other items or processes, patent, copyright, trademark, trade secret or other proprietary or intellectual property rights in connection with any Items, software or data furnished hereunder, whether such are provided alone or in combination with other Items, software or processes. Seller hereby agrees to defend any and all such actions, at Seller's expense, if requested to do so by Buyer.

Seller and Buyer agree to notify each other as soon as they become aware of a challenge of infringement or wrongful use in connection with any such Items, software or data furnished hereunder. Buyer shall have the right to reasonably reject counsel selected by Seller and the right to reject any settlement that would negatively impact Buyer as determined solely by Buyer. Buyer shall have the right to participate with Seller in determining the strategy to defend any such suit or action.

Notwithstanding any of the above provisions, Buyer shall have the further right, at its own election, to supersede Seller in the defense of any such alleged infringement and thereafter to assume and conduct the same according to Buyer's sole discretion, in which event Seller shall be released from its obligation to pay for attorneys fees and court costs. Further, Seller, if requested in writing by Buyer, shall cooperate with Buyer in Buyer's defense of any alleged infringement claim.

If the use or sale of such Item, in respect to which Seller indemnifies Buyer, is enjoined as a result of such action or proceeding, Seller, at no expense to Buyer, shall obtain for Buyer and its customers, the right to use and sell said Item or shall substitute an equivalent Item acceptable to Buyer and extend this patent indemnity with respect to such equivalent Item. In the event that Seller is unable to secure such right of use for Buyer or its customer or to secure an equivalent Item as a substitute, Seller will indemnify Buyer and its customer for any and all losses or damages sustained by reason of such injunction.

This indemnity and hold harmless shall not be considered an allowable cost under any provisions of this Order except with regard to allowable insurance costs. Seller's obligation to defend, indemnify, and hold harmless Buyer and its customers under this Article shall not apply to the extent FAR 52.227-1 "Authorization and Consent" applies to Buyer's Government Contract for infringement of a U.S. patent and Buyer and its customers are not subject to any actions for claims, damages, losses, costs, and expenses, including reasonable attorneys fees by a third party.

32. RIGHTS IN DATA AND INVENTIONS:

- (a) All specifications, information, data, drawings, software and other items supplied to Buyer by Seller shall be disclosed to

Buyer on a non-proprietary basis and may be used and/or disclosed by Buyer without restriction, unless:

- (1) otherwise required by the U.S. Government Regulations referred to below, or
 - (2) the Buyer has executed a separate agreement restricting the use and disclosure of such information, data, software and the like.
- (b) Unless otherwise expressly agreed in writing to the contrary and subject to this Article 32 (d) below, all specifications, information, data, drawings, software and other items which are:
 - (1) supplied to Seller by Buyer or
 - (2) obtained or developed by Seller in the performance of this Order or paid for by Buyer shall be proprietary to Buyer, shall be used only for purposes of providing items or services to Buyer pursuant to this Order, and shall not be disclosed to any third party without Buyer's express written consent. All such items supplied by Buyer or obtained by Seller in performance of this Order or paid for by Buyer shall be promptly provided to Buyer on request or upon completion of this Order.
 - (c) Subject to this Article 32 (d) below, any invention or intellectual property first made or conceived by Seller in the performance of this Order or which is derived from or based on information supplied by Buyer shall be considered to be the property of Buyer; and Seller shall execute such documents necessary to perfect Buyer's title thereto. Subject to this Article 32 (d) below, any work performed pursuant to this Order which includes any copyright interest shall be considered a "work made for hire."
 - (d) Applicable Government Procurement Regulations incorporated into this Order shall, when applicable, take precedence over any conflicting provision of this Article 32 to the extent that such Regulations so require. The incorporation by reference of such U.S. Government Regulations dealing with subcontractors rights in Technical Data, subject inventions, copyrights, software and similar intellectual property are not intended to, and shall not, unless otherwise required by applicable law, obviate or modify any greater rights which Seller may have previously granted to Buyer pursuant to prior agreements between the parties.

33. ITEM SUPPORT:

- (a) Seller shall support the Items purchased hereunder during the operational life of the Items or for a period of ten (10) years from the date of final shipment under this Order. Said support includes, but is not limited to, technical service and maintenance of Seller's stock of subassemblies and spare parts as may be required to be ordered to support the operation of the Items.
- (b) In the event Seller discontinues manufacture of the aforementioned Items, subassemblies and spare parts therefor, and does not provide for another qualified source, Seller shall give Buyer not less than six months notice of such decision to discontinue and thereupon make available to Buyer all drawings, specifications, data, and know how which will enable Buyer or its customers to manufacture or procure said Items, subassemblies and spare parts under a royalty free license which is hereby granted.

34. SHIPPING INSTRUCTIONS: Seller shall comply with Buyer's Routing and Shipping Instructions. If Buyer's Routing and Shipping Instructions are not attached to the Purchase Order or have not been previously received by Seller, Seller shall immediately request the Instructions from Buyer. Seller shall remain liable for any and all additional charges which accrue as a result of Seller's failure to comply with Buyer's Routing and Shipping Instructions.

35. SUSPENSION OF WORK:

- (a) Buyer shall have the right to direct Seller in writing to suspend all or any part of the work for a period of time not to exceed ninety (90) days unless extended by Buyer's customer.
- (b) If work is suspended, an adjustment shall be made for any increase in the time and the cost (exclusive of profit) of performing this Order necessarily caused by such suspension, and this Order shall be modified in writing accordingly.
- (c) A claim shall not be allowed under this Article unless the claim, in an amount stated, is asserted in writing within thirty (30) days after the termination of the suspension. When the suspension has been terminated, Seller shall immediately commence performance, notwithstanding the fact that there is no agreement as to a revised schedule or the cost of completing this Order.

36. TAXES: Unless otherwise notified by Buyer in writing, the price of this Order includes and Seller shall be responsible for the payment of any Federal, State, and Local taxes, duties, tariffs, transportation taxes, or other similar taxes or fees which are required to be imposed upon the Items ordered hereunder by any government, unless Seller obtains any applicable exemptions. Seller represents that its price does not include any taxes, impositions, charges or exactions for which it has obtained a valid exemption certificate or other evidence of exemption. Any taxes included in this Order shall be itemized separately in Seller's invoice.

37. TERMINATION: Termination will be in accordance with FAR 52.249-6 with the following modifications:

- (a) Except as otherwise noted, replace "Government" with "Buyer" and "Contracting Officer" with "Buyer Representative".
- (b) In paragraph (e) change "15 days" and "45 days" to "30 days" and "90 days", respectively.
- (c) In paragraph (f) change "1 year" to "six months."
- (d) If this Order is terminated for convenience as a result of a termination for convenience issued by the Government, the term "Government" does not change in (c) (4), (6), (8) and (m). Seller shall provide to Buyer any assistance necessary to pursue Buyer's recovery of Seller's termination settlement amount with Buyer's customer, including certification of settlement proposals and claims if necessary and support in negotiation, litigation and settlement.
- (e) If this Order is terminated for convenience solely by Buyer, audits and examinations of records, as required by Buyer, shall be performed by an independent certified public accounting firm, mutually acceptable to Buyer and Seller. The cost of such audits and examinations of records shall be paid by Buyer. Notwithstanding anything to the contrary, Buyer shall not be liable for special or consequential damages.
- (f) Termination in accordance with this Article shall not affect Buyer's obligation to pay for Items accepted by Buyer prior to such termination, which payment shall be made according to the unit or other prices included in the Order. .

38. TITLE AND RISK OF LOSS: Unless otherwise specified in the Order, Seller shall bear the risk of loss and damage to all Items to be supplied hereunder until final acceptance by Buyer. Buyer shall have equitable title to all Items for which partial or progress payments have been furnished to Seller.

39. TOOLS, MATERIALS AND INFORMATION: Refer also to Articles 12 (Right to Use Information) and 32 (Rights in Data and Inventions). If any designs, sketches, drawings, blueprints, patterns, dies, molds, models, tools, gauges, equipment or special appliances should be made or procured by Seller especially for producing the Items covered by this Order, then immediately upon manufacture or procurement they shall become the property of Buyer. Seller shall maintain a current inventory list of the foregoing. Any such item or any materials or any engineering data or other technical or proprietary information related thereto furnished by or paid for by Buyer shall: (a) become and shall be identified as property of Buyer, (b) be held by Seller on consignment at Seller's risk, (c) be used exclusively in the production for Buyer of Items required by this Order, and (d) be subject to disposition by Buyer at any and all times and upon demand they shall be returned to Buyer. Seller shall maintain procedures for the adequate accountability, storage, maintenance and inspection of such items and shall make such records available to Buyer upon request.

40. FURNISHED PROPERTY: (A) Buyer may provide to Seller property owned by either Buyer or its customer (Furnished Property). Furnished Property shall be used only for the performance of this Order. (B) Title to Furnished Property shall be retained by Buyer or its customer. Seller shall clearly mark (if not already marked) all Furnished Property to show ownership. (C) Except for reasonable wear and tear, Seller assumes all risk of loss, destruction, or damage of Furnished Property while in the Seller's possession, custody, or control. Upon request, Seller shall promptly provide Buyer with adequate proof of insurance against such risk of loss. Seller shall promptly notify Buyer of any loss or damage. Without additional charge, Seller shall manage, maintain, and preserve Furnished Property in accordance with good commercial practice. (D) At Buyer's request or at completion of this Order, Seller shall submit, in an acceptable form, inventory lists of Furnished Property and shall deliver or make such other disposal as may be directed by Buyer. 41. SPECIAL TOOLING, SPECIAL TEST EQUIPMENT, AND FACILITIES: (A) Unless specifically provided to the contrary in this Order, Seller warrants that the estimated cost set forth in this Order does not include as a direct charge to this Order the cost of any special tooling, test equipment, or facilities as the same are defined in FAR 2.101. Any such special tooling, test equipment or facilities to be charged to Buyer will be covered by a separate Purchase Order. (B) The Seller represents that it now has or can readily procure without the assistance of Buyer or the Government all facilities necessary for the performance of this Order, except as set forth herein.

42. WARRANTY:

- (a) Seller warrants that all the Items and Services furnished hereunder shall:
 - (1) conform fully with all requirements of this Order;
 - (2) conform to approved sample or samples, if any;
 - (3) unless detailed designs have been furnished by Buyer, be fit for the use intended by Buyer;

- (b) Except for latent defects, Seller guarantees all Services and Items, parts, components, and assemblies furnished hereunder against any defects in design, material, or workmanship for eighteen (18) months from the date of acceptance at Buyer's location. In the case of latent defects, the Buyer's rights to corrective action by Seller shall commence upon Buyer's discovery of the latent defect and notification of Seller thereof.
- (c) If, within the warranty period, any defect or failure appears, Buyer shall have the right to take the following actions:
 - (1) retain such defective Services or Item(s) and an equitable adjustment will be made in the Order price, or
 - (2) reject such defective Services or Item(s) and require Seller to promptly remove and repair or replace such defective Services or Item(s) at Seller's sole expense (including shipping costs), with risk of loss and damage for the rejected, corrected or replacement Services and Item(s) while in transit borne by Seller; or
 - (3) correct or replace such defective Services and Item(s) with similar Services or Item(s) and recover the total cost (including shipping costs) thereof from Seller. - (d) Upon discovery of any defect or failure within the warranty period provided hereby, the following conditions shall apply:
 - (1) Buyer shall furnish written notice to Seller of the Services or Item(s) involved and set forth the nature of the defect(s) or failure(s) discovered;
 - (2) within fifteen (15) days after receipt by Seller of such notification, Seller shall provide in writing to Buyer the following information:
 - (i) acknowledgment of the notification given by Buyer of the defect or failure,
 - (ii) the corrective action to be taken by Seller to remedy the defect or failure,
 - (iii) disposition instructions regarding the defective material or equipment,
 - (iv) the date that the defective Services and Items will be repaired, corrected or replaced as applicable and redelivered to the appropriate destination as directed by Buyer, or
 - (v) with the advance approval of Buyer, submit a proposed price reduction to this Order for Buyer's consideration pursuant to (c) (1) above.
- (e) Neither approval by Buyer of Seller's design or material used nor Buyer's inspection of same shall relieve Seller from any obligations under the warranties set forth in this Article.
- (f) The word "Item(s)" as used herein includes parts, components, assemblies, materials, equipment, services and data required under this Order.
- (g) Any Services or Item(s) corrected or replaced pursuant to this Article shall be subject to all provisions of this Article to the same extent as Services and Item(s) initially delivered.
- (h) The aforesaid warranties shall survive acceptance and payment and shall run to Buyer, its customers and the users of these Services and Item(s) and shall not be deemed to be the

exclusive rights of Buyer but shall be in addition to other rights of Buyer under law, equity, and the terms of this Order.

- (i) Seller shall furnish Buyer a certificate of Seller's compliance with these Article 42 warranty conditions upon Buyer's request.

43. FOREIGN TRANSACTIONS AND EXPORT CONTROL: Seller, at its sole expense, agrees to comply with all laws and regulations of the United States and other countries related to exports and imports including obtaining all required authorizations from the U.S. or other applicable governments. Seller shall immediately notify the Buyer Representative if Seller's export privileges are denied, suspended or revoked in whole or in part by any U.S. or other government entity or agency. Buyer may deem Seller's failure to comply with the requirements of this Article a material failure to perform under this Order that shall subject Seller to termination in accordance with Article 19, Default.

- (a) **ITAR CONTROLLED HARDWARE, TECHNICAL DATA OR SERVICES.** Seller is hereby notified that certain hardware (e.g., finished goods, parts, components, accessories, attachments, samples, prototypes, test equipment, firmware, software, or systems), technical data (e.g., technical specifications, drawings, photos, instructions, or other technical information in any form), and/or services provided by Buyer for purposes of this Order are or may be subject to the International Traffic in Arms Regulations (ITAR) (22 C.F.R. §§ 120-130). In addition, Seller is hereby notified that hardware, technical data, and/or services sold by Seller that are designed, developed, modified, adapted or configured from hardware, technical data, and/or services provided by Buyer are or may also be subject to the ITAR. The ITAR is accessible at the U.S. Department of State, Directorate of Defense Trade Controls (DDTC) website at <http://www.pmdtc.state.gov>.
 - (1) If the Seller is a manufacturer and/or exports Defense articles or Defense services, Seller represents that it is registered with the U.S. Department of State and will maintain said registration in order to be eligible to engage in the manufacture and/or export of defense articles and defense services as required by the ITAR (22 C.F.R. § 122.1(a)).
 - (2) The ITAR restricts access to Buyer's and Seller's controlled hardware, technical data, or services to U.S. citizens and permanent residents (i.e., U.S. person) only. Seller is advised and acknowledges that controlled hardware, technical data, and/or services shall not be exported out of the U.S. or transferred to a non-U.S. person inside the U.S. without prior authorization of the U.S. Government. Seller will be informed by Buyer of the export control status of all hardware, technical data, and/or services provided to Seller by Buyer. Hardware and technical data will be clearly marked as export controlled or not. Seller agrees that it will not transfer or provide access to any ITAR-controlled hardware, technical data, or services provided by Buyer to non-U.S. persons employed by or associated with Seller, whether located in the U.S. or not, without U.S. Government authorization and permission from Buyer.
 - (3) If this Order is in an amount of \$500,000 or more, or if this Order is amended so that the total amount of the Order is in an amount of \$500,000 or more, Seller shall, within fifteen (15) days of the date of this Order, or such amendment, inform Buyer in a written statement if Seller has paid, offered or agreed to pay, in respect of the sale for which the items will be used, political contributions or fees or commissions, within the meaning of 22 C.F.R. Part 130. Seller's statement shall conform to the requirements of 22 C.F.R. Part 130. Failure of the Seller to provide Buyer with such a statement within the specified time-frame, or any extension thereof, shall constitute a certification by Seller that it has not paid, offered, or agreed to pay such political contributions, fees or commissions.
 - (4) Seller shall indemnify Buyer and be solely responsible for all losses, costs, claims, causes of action, damages, liabilities and expense, including attorneys' fees, all expense of litigation and/or settlement, and court costs, arising from any act or omission of Seller, its officers, employees, agents, suppliers, or subcontractors at any tier, in the performance of any of its obligations under this clause.
- (b) **GOODS, TECHNOLOGY, SOFTWARE SUBJECT TO U.S. EXPORT ADMINISTRATION REGULATIONS.** Seller is hereby notified that certain hardware (e.g., finished goods, parts, components, accessories, attachments, samples, prototypes, test equipment, firmware, software, or systems),

technology (e.g., technical specifications, drawings, photos, instructions, or other technical information in any form), and/or software provided by Buyer for purposes of this Order are or may be subject to the Export Administration Regulations (EAR). In addition, Seller is hereby notified that the hardware, technology, and/or software sold by Seller that is derived from hardware, technology, and/or software provided by Buyer are or may also be subject to the EAR. The EAR is accessible at the U.S. Department of Commerce, Bureau of Industry and Security website at <http://www.bis.doc.gov>.

- (1) The EAR restricts access to Buyer's and Seller's controlled hardware, technology, or software to U.S. citizens and permanent residents only. Seller is advised and acknowledges that controlled hardware, technology, and/or software may not be exported out of the U.S. or to a non-U.S. person inside the U.S. without prior authorization of the U.S. Government. Seller will be informed by Buyer of the export control status of all hardware, technology, and/or software provided to Seller by Buyer. Hardware and technology will be clearly marked as export controlled or not. Seller agrees that it will not transfer or provide access to any EAR-controlled hardware, technology or software provided by Buyer to non-U.S. persons employed by or associated with Seller, whether located in the U.S. or not, without U.S. Government authorization and permission from Buyer.
 - (2) Seller agrees that it will inform Buyer of the export control status of all hardware, technical data, technology, software, and/or services sold to Buyer under this Order to include clearly marking all hardware and/or technical data.
 - (3) Where Seller is a signatory under a Buyer export authorization, Seller shall provide prompt notification to the Buyer Representative in the event of changed circumstances including, but not limited to, ineligibility, a violation or potential violation of applicable export regulations that could affect the Seller's performance under this Contract.
 - (4) Seller shall indemnify Buyer and be solely responsible for all losses, costs, claims, causes of action, damages, liabilities and expense, including attorneys' fees, all expense of litigation and/or settlement, and court costs, arising from any act or omission of Seller, its officers, employees, agents, suppliers, or subcontractors at any tier, in the performance of any of its obligations under this clause.
- (c) **HARDWARE, TECHNOLOGY, OR TECHNICAL DATA RECEIVED WITHOUT MARKING.** Seller is hereby notified that, to the extent it should receive any hardware, technology, or technical data from Buyer that is not marked as export controlled (i.e., under the ITAR or EAR), Seller must treat such hardware, technology, or technical data in conformance with the most restrictive standard potentially applicable unless it requests and receives specific written instructions from Buyer that releases Seller from this requirement.

**ITEM 2 – FAR, DFARS, NFS AND/OR FAA AMS CLAUSES APPLICABLE IF THIS ORDER IS
PLACED UNDER BUYER CONTRACT CONTAINING SUCH CLAUSES**

When the items and/or services furnished are for use in connection with a U.S. Government prime contract or subcontract, in addition to the provisions of Item-1, the following provisions shall apply as required by the terms of the prime contract or by operation of law or regulation. Buyer is flowing down to Seller certain provisions and clauses from the Federal Acquisition Regulation (FAR), Department of Defense FAR Supplement (DFARS), NASA FAR Supplement (NFS) and FAA Acquisition Management System (AMS) (all herein “USG Clauses”). These USG Clauses are hereby incorporated by reference, as applicable, and in the manner set forth below (including any parenthetical information and Numbered Notes). USG Clauses inapplicable to the performance of this Order under Buyer’s Government Contract are self-deleting. If the date and/or substance of a USG Clause is different than the date or substance of the clause incorporated in Buyer’s Government Contract, then the date and/or substance of the clause incorporated in Buyer’s Government Contract shall apply instead. The parties hereby agree to amend this ITEM 2 to include any additional or revised USG Clauses incorporated in Buyer’s Government Contract that are applicable to the performance of this Order. The parties shall handle any such amendments of this ITEM 2 under Article 14 “Changes” of this Order. Seller shall flow down to its lower-tier subcontractors all applicable USG Clauses and any other requirements of this Order and applicable law so as to enable and ensure that Buyer and Seller comply with all applicable requirements of Buyer’s Government Contract.

It is intended by the parties that these USG Clauses shall apply to Seller in such manner as is necessary to reflect the position of Seller as a subcontractor to Buyer, and to insure Seller’s obligations to Buyer and to the Government, and to enable Buyer to meet its contract obligations to the Federal Government. Consequently, in interpreting and applying USG Clauses flowed down to Seller, and as context requires, the terms “Contractor” and “Offeror” shall mean Seller, the term “Contract” shall mean this Order, and the term “Government”, “Contracting Officer” and equivalent phrases shall mean Buyer and/or the Buyer Representative. However, as an exception to the foregoing, the terms “Government” and “Contracting Officer” do not change in the following circumstances:

- (a) in the phrases “Government Property,” “Government-Furnished Property,” and “Government-Owned Property;”
- (b) in the Patent Rights clauses incorporated therein, if any;
- (c) when a right, act, authorization or obligation can be granted or performed only by the Government or a Contracting Officer or his/her duly-authorized representative;
- (d) when title to property is to be transferred directly to the Government;
- (e) when access to proprietary financial information or other proprietary data is required, except as otherwise provided in this Order; and
- (f) where specifically modified in this Order.

USG Clauses flowed down by Buyer to Seller pursuant to this provision may require submission of certificates. All such required representations and certifications made by Seller in connection with flow down of USG Clauses, including all such certifications submitted by Seller with its offer, are hereby incorporated in this Order by reference. Seller shall, with respect to applicable USG Clauses flowed down pursuant to this provision, furnish to Buyer (or directly to the Government upon request of Buyer) any certificate required to be furnished by any USG Clause and any certificate required by any further U.S. law, ordinance, or regulation with respect to Seller’s compliance with the terms and provisions of U.S. laws, ordinances, or regulations. As used in this paragraph, the word “certificate” shall include any plan or course of action or record keeping function, as, for example, a small business subcontracting plan for which flow down is required.

Seller shall indemnify and hold Buyer harmless from and against any price reduction in Buyer’s Government Contract, as well as Buyer’s reasonable attorney fees and other direct costs to defend Government Contract claims when said reduction is attributable to the failure of Seller or Seller’s subcontractors to properly discharge applicable duties under the Truth in Negotiation Act and Cost Accounting Standards clauses incorporated by reference in accordance with this provision.

The notation [M] after a FAR Clause name (or Alternate) indicates that the FAR requires the clause to be flowed down.

At the conclusion of negotiations, and regardless of any prior certification, Seller must certify as to the accuracy, currency and completeness of its information in accordance with the FAR required Certificate of Current Cost or Pricing Data.

(a) Indemnification. If any price (including profit or fee) negotiated in connection with the prime contract between the Government and the Buyer or any cost that is reimbursable under said contract is reduced because cost or pricing data furnished by the Seller in connection with any proposal submitted by the Buyer relating to said contract or in connection with this Purchase Order was not accurate, complete, or current, the Seller shall indemnify the Buyer in the amount of said reduction. The phrase "cost or pricing data" as used herein shall be deemed to include any such data which related to a lower-tier prospective or actual subcontract, at any level, which was submitted by the Seller or which it procured by submission of, in connection with the aforesaid proposal or this Order in support of its cost estimate. If any reduction in the contract price under this clause reduces the price of items for which payment was made prior to the date of the modification reflecting the price reduction, the Seller shall be liable and shall pay the Buyer at the time such overpayment is repaid:

(1) Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the Seller to the date the Buyer is repaid by the Seller at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and

(2) For Department of Defense contracts only, a penalty equal to the amount of the overpayment, if the Seller knowingly submitted cost or pricing data which were incomplete, inaccurate, or non-current.

(b) Cost or Pricing Data for Changes. Prior to the pricing of any change or other modification to this Order which involves increases and/or decreases in costs plus applicable profit expected to exceed the threshold for submission of cost or pricing data, subcontractors shall submit cost or pricing data and shall certify that the data, as defined in Federal Acquisition Regulation 15.406-2, submitted either actually or by specific identification in writing are accurate, complete, and current as of the date of completion of negotiations. When required to obtain cost or pricing data from its subcontractors, pursuant to the provisions of this Order, Seller shall obtain such data.

- (ii) The Buyer, at its sole discretion, authorizes in writing the Seller to appeal in the name of the Buyer such decision at its own expense, or
- (iii) If Buyer should appeal such decision, Buyer at its sole discretion offers to the Seller the opportunity at its own expense to join Buyer in such appeal.
- (2) Any decision upon such appeal, when final, shall be binding upon the Seller.
- (3) The Seller shall keep Buyer informed of any appeal it makes by providing copies of all pertinent documents to Buyer.
- (4) The Seller shall indemnify and save harmless from any and all liability of any kind incurred by or imputed to Buyer under Section 5, "Fraudulent Claims," of the Contract Disputes Act of 1978, as amended, if Seller is unable to support any part of its claim and it is determined that such inability is attributable to fraud or misrepresentation of fact on the part of Seller.
- (c) Pending any prosecution, appeal, or final decision or settlement of any dispute arising under this Order, Seller shall proceed diligently, as directed by Buyer, with the performance of this Order.
- (d) Nothing in this clause nor any authorization or offer that may be made shall be deemed to constitute acceptance or acknowledgment by Buyer of the validity of Seller's claim or any part thereof, nor be deemed to limit or in any way or restrict Buyer from taking any actions, including available remedies, it deems appropriate to protect its own interests.
- (e) As used in this clause, the word "appeal" means an appeal taken under the Contract Disputes Act of 1978, as amended.
